# UPDATE

## 2010 Alberta Annual Classic Information

➤ **SPEED PENNING IS BACK**

This year we will be running two classes for the Speed Penning. The Pro Class for those riders rated 4 and up. And the Amateur Class for those riders rated 3 and down. The format of this year's event will be as such, 1<sup>st</sup> go will have all riders racing in the lane format of last year. However, rather than single round elimination, times will be used to determine second round qualification. 2<sup>nd</sup> round will consist of the top ½ fastest times in each class. 2<sup>nd</sup> go will run and again the top ½ fastest times will advance to a 3<sup>rd</sup> go. After the completion of the 3 goes all times will be aggregated to determine the top 4 fastest riders for the Pro Class and the top 6 fastest times for the Amateur Class. The final round in each class will be a SHOOTOUT format just like our shootout penning classes. All places in the final round will qualify for prize money and prizes.

➤ **7 Class with 5 incentive**

To clarify this class and cross entries here are the rules. A rider is eligible to enter up to a total of 6 times between the 7 Class and the 5 Incentive Class. However, the rider can not ride more than 4 times in either of these classes. For example, a rider can ride 4 times in the 7 Class and 2 times in the 5 Class or a rider can ride 3 times in the 7 Class and 3 times in the 5 class or a rider can ride 2 times in the 7 Class and 4 times in the 5 Class. As for cross entries, here are some examples to clarify how a rider may enter. Riders A, B and C can enter the 5 Class, this automatically means that this team is entered in the 7 Class so there is no need, nor can you enter this same team in the 7 Class. Riders A and B can also enter the 7 Class with rider D, Riders A and C can also enter the 7 Class with Rider E. But within each of the Classes (7 and 5) the 2 rider change out is in effect.

➤ **Entry Open and Close Dates**

It has been decided that because of the delays in getting sufficient information out to the penners that the Entries will still open on August 23, 2010 (although there may be a slight delay in the start up date due to some technical challenges) but the close date has now been extended for 1 week to September 6, 2010.

➤ **Schedule of Events**

Please refer to the Alberta Annual Classic Website as the schedule is tentative and very dependent on entries per Class
