

BC traveling fools:

A few of our BC Penners have been going strong into November having just returned from another long road trip to Edmonton. About 20 BCTCPA members did the trek to the Zender Fall Classic Nov 5-6-7th in Edmonton, just missing a big blizzard creeping up behind them on their way home.

Everyone survived the drive home safe and sound, but one member did have a competition incident at the show. Graham Armstrong had a fairly serious fall while penning and spent a couple of days in hospital. He's making a fine recovery at home resting a fractured foot and healing some bangs and bruises. We're wishing Graham the best, and expecting a speedy recovery as only the youth can do. Graham we all look forward to seeing you back in the saddle again for a strong 2010 season.
